HERITAGE STRUCTURE DESIGNATION
Application Form (Page 1 of 2)

CONTACT INFORMATION

Name: _____ Phone #: _____

Mailing Address: _____

Date of Application: _____

HERITAGE STRUCTURE IDENTIFICATION

Building Name: _____

Civic Location: _____

Indicate the Primary Heritage Value of this Resource – Please give a brief description below

- Age
- Design/Construction
- Theme/Historic Use
- Setting/Environment
- Landmark/Symbolic Value
- Other (please specify)

INTEGRITY ASSESSMENT

EXTERIOR: Does the resource as it exists today retain the original overall features and character defining elements? If yes, please list the features that are necessary to preserve in order to retain heritage value, i.e. windows, gables, roof, etc.

HERITAGE STRUCTURE DESIGNATION
Application Form (Page 2 of 2)

CONSTRUCTION MATERIAL: Is this structure built using typical techniques i.e. nailed wooden frame or using uncommon building materials such as stone, hydrostone; does it typify any particular construction style, type, period or have high artistic value?

INTERIOR: Are there any rare interior features that give merit to the application – i.e. decorative treatments, fireplaces, staircases, etc? Please elaborate below.

LOCATION: Also important in the determination of heritage is landscape contributors. Please list any items such as atypical fences, gates and other considerations such as whether the landscape is natural or built.

USE: Describe the original and current use of the structure.

If structure has been restored, please provide name and address of restoration architect as well as the date of the work.

OTHER Please provide any other information you may feel is pertinent to this application i.e. are there historical documents of information available (deeds, drawings, mortgages, etc.)
