

MUNICIPALITIES ACT, 1999
NOTICE FROM THE TOWN OF PLACENTIA
AMENDMENT TO ANTI-LITTER REGULATIONS

The Town of Placentia adopted an amendment to its Anti-Litter Regulations at a regular meeting of council held on Tuesday, September 29, 2020 per Section 414(2)(pp)(iii) and (iv) of the Municipalities Act, 1999; and approved on the 16th of November 2020 by the Minister of Environment, Climate Change and Municipalities.

Effective February 1, 2020:

“Every commercial business where goods are sold that will subsequently generate waste from patrons shall provide suitable containers for said waste, recyclables, and refuse. Containers which are non-disposable shall be maintained in a good state of repair and in a sanitary condition. In addition, all commercial businesses that operate a drive-thru shall provide suitable waste containers directly within that drive-thru for the use of patrons using same to obtain goods. These units should be accessible from the vehicle at all times without requiring the driver to leave said vehicle to dispose of waste. These containers should be placed in such a way that they do not cause imposition/damage to vehicles and to the flow of traffic through that drive-thru.”

“A suitable container shall mean a standard metal garbage container, or a container of other substantial material approved by Council. Each container, with the exception of polyethylene bags, shall have a content capacity of not less than twenty-five (25) liters (5.5 gallons) and a minimum size of 66 cm x 91 cm (26 in. X 36 in.)”

Regulations can be viewed at the Town Hall and will be placed in the Town’s website at www.placentia.ca
