Town of Placentia Waste Collection Call for Bids 2023-04-ITT-PW Multi Stream Waste Collection Agreement

Amendments to Publicly Posted Open Call for Bids

1. Appendix A Section B(2) of the Tender Document - The requirement for onboard weigh scales in compactors has been removed and update is provided in the tender to submit weigh bills from Robin Hood Bay. Tender document updated
2. Appendix A Section C1(d) of the Tender Document - There no longer is a requirement for Certificate or Recognition (COR certification). Tender document updated
3. Appendix A Section B5 - The Town reserves the right to have vehicles inspected (or re-inspected) by a qualified individual. Tender document updated
4. SECTION 6.14 of the Agreement - The requirement for operator power line hazard training is no longer required. Tender document updated
5. Appendix A Section 1.4B of the Agreement - The Town will permit a change of commencement of work to 7:30 AM to allow sufficient time to reach Robin Hood Bay before closure. Tender document updated

Questions not Requiring Amendment

- 4 – no requirement to be registered as an operating business if registered in another municipality
- 5 – the Town will hold back the bid security of \$10,000 until satisfied there are no outstanding claims at the close of the contract.
- 7 – private and confidential information will be kept as such – terms are set out in the agreement
- 8 – the Town requires experienced operators for the purpose of protecting the Town and its residents.
- 9 – one phone number for inquiries is ok but calls must be responded to in a timely manner
- 11 – limit of six bags applies – contractor can collect more at its discretion but must notify the town of having done so
