

Advertising Opportunities

Unity PARC Arena

This modern indoor stadium is designed to maximize the range of sporting and entertainment events. From hockey to curling, figure skating to power skating, power walking to birthday parties, PARC fits the bill. Wall and ice surface space available.

William Hogan Ball Field

This ball park is dedicated to William Hogan, a long time builder, supporter and softball enthusiast. He was the main force in the construction of an international class softball facility in Dunville. It is host to number of softball tournaments during July and August.

Willard Hatfield Memorial Ball Field

This ball park is dedicated to Willard Hatfield, a long time enthusiast and coach who helped keep the sport alive. It is host to number of softball tournaments during July and August.
